Experience

Rita's Italian Ice Assistant Manager *(December 2013 - September 2015)*

Oversaw all employees, to ensure the store was running efficient as possible. Handled any upset or unsatisfied customer, while trying to enhance their experience, to ensure their continued business. Other responsibilities included cash drawer inventory, organized and prepared the store for large caterings, and creating the product (italian ice) for the day.

Trend Micro Mobile Security Internship *(June 2014 - August 2014)*

Paid internship with the Customer Service Engineer department. Created presentations on new material, and made any corrections to past presentations. Shadowed the CSE's to learn about their products, in order to better assist them in their projects.

Del Frisco's Grille Food Runner *(October 2015 - January 2016)*

Responsibilities included restaurant upkeep, tracking/organizing inventory, constantly checking on/interacting with customers, and working as a team to present the food to the table in an organized and quick manner.

Best Buy Merchandising Specialist *(January 2016 - October 2018)*

Responsibilities included ensuring product availability for the customer by stocking and organizing the entire store, unloading and storing bi-weekly truck shipments, and aiding the floor salesman with knowledge about products and their availability.

Best Buy Merchandising Overnight Leader *(October 2016 - February 2017)*

In charge of keeping track of the inventory, while maintaining an efficient and organized store. Worked overnight with a small team, to update the stores functionality and appearance, during the holiday season.
